

Frosty Morning Farm
 Certified Organic Morning Glory Plants *(and their kin)*
 \$8.00 each 6" square pots 4-6 plants per pot (most have 6)
 Sales tax included in price

Easy to grow! Just provide a string or trellis and they do the rest! They like morning sun and average soil.

Venice Pink
Ipomoea tricolor
 Each bloom is pretty as a painting! Blooms are striated with shades of pink. Stunning! Vines reach 6-12'

Heavenly Blue
Ipomoea Tricolor
 This is the classic Morning Glory!
 Beautiful, 4-5 inch, azure-blue flowers and heart shaped leaves. Vines can grow to 12'.

Moonflower
Ipomoea alba
 This wonderfully fragrant night bloomer has huge flowers, up to 6 inches. It can grow to 15'. It can be planted on its own or with other day-time blooming morning glories.

Scarlett O'Hara
Ipomoea Nil
 Beautiful, 4 inch, magenta flowers with a white throat. Emerald green, heart shaped leaves on 8-10' vines.

Cypress Vine
Ipomoea quamoclit pennata
 Growing to 12', this relative of the morning glory has beautiful, ferny foliage. It bears bright, scarlet flowers that hummingbirds love!

Grandpa Otts
Ipomoea purpurea
 Beautiful, purple, 3 inch flowers with a ruby-red star in the center. An heirloom from Iowa. It can reach 15'.

Cardinal Climber
Ipomoea sloteri
 Growing to 12', this vigorous climber has palm shaped leaves and small red tubular flowers that hummingbirds love!

Flying Saucers
Ipomoea tricolor
 Beautiful, 5-6 inch, striated, azure-blue trumpet flowers on vigorous vines that can grow to 12'. Non-stop beauty!
