Certified Organic by NOFA-NY Certified Organic, LLC

All raised on our farm. Locally adapted for upstate NY.

Heirloom and open-pollinated varieties.

## **Heirloom Tomato** **Chadwick's Cherry**

Tall, strong vigorous plants produce clusters of mouth watering 1" cherry tomatoes. Highly productive and disease resistant. A wonderful heirloom.

Indeterminate 80 Days 25 seeds

## **Romaine Lettuce** **Outredgeous**

This lettuce is a wonderful, stout-growing variety that can be harvested either as a baby lettuce or a mature 10 inch romaine. The thick, glossy, ruffled leaves are bright red on top, fading to a pale rouge at the base. 52 Days 80 Seeds

## **Heritage Tomato** **Flaming Burst Pear/Cherry**

Plants are loaded with 1 oz, split resistant, sweet, juicy, orange fruit. From the breeder of Green Zebra.

Compact Indeterminate 70 Days 25 seeds

## **Heirloom Snap Beans** **Rattlesnake Pole**

This heirloom pole bean produces distinctive 8" green pods streaked with purple. Light buff seeds are splashed with dark brown, resembling a rattlesnake's coloration. Very fine flavor. Can be used fresh or dried. Vigorous vines to 10'. Drought resistant.

65 days fresh, 100 days dried 50 seeds

## **Heirloom Tomato** **Orange Banana**

Productive, heirloom with clusters of orange, cylindrical fruits, 3-4" long by 1-2" wide. They are sweet and very flavorful. Perfect for salads, salsas and sauces. Great drying variety. Disease resistant.

Indeterminate 85 days 25 seeds

## **Scarlet Emperor** **Runner Beans**

Growing to 6 feet, this 1735 heirloom pole bean, bears showy sprays of bright scarlet flowers loved by hummingbirds, followed by loads of slender pods about 8" long. Young pods can be used as snap beans, allowed to mature for a fresh shell bean, or dried for winter soups.

50-60 days 20 seeds

## **Heirloom Tomato** **Gilbertie Paste**

Long, slender, 7" heirloom fruits have rich flavored, meaty flesh and make excellent sauces and soups. Small seed cavity.

Indeterminate 85 Days 25 seeds

## **Heirloom Popcorn** **Amish Butter**

This is an heirloom popcorn from Lancaster, PA, refined in Oregon. It averages two 6-8", creamy ears on 6-8' stalks. It makes delicious, fluffy white popcorn, and can also be ground into cornmeal. Open Pollinated.

100 Days 100 seeds

## **Heirloom Tomato** **Chocolate Stripes**

Tomato plants yield a plentiful crop of 3-4 inch, flattened, mahogany colored fruit with dark, olive-green striping and a delicious, complex, rich, sweet, earthy flavor.

Indeterminate 79 Days 25 seeds

## **Heirloom Hardshell Gourd** **Peyote Rattle**

Produces large amounts of small (4-5") hourglass shaped gourds on vigorous vines that can reach 10' and climb a fence or trellis. They can be used fresh as a fall decoration and then cured and dried for crafting.

120 Days 25 seeds

## **Shelling Peas** **Miragreen**

4-5" pods with 8-10 plump, sweet peas. 4 foot productive vines. Hard to find heirloom variety being maintained at Frosty Morning Farm for many years. 68 days 80 seeds

## **Snap Peas** **Sugar Snap**

3" sweet, crunchy pods. Eat the whole thing! 5-6 foot productive vines. This is the original Sugar Snap, and is still the best! Best when they fatten up. 68 Days 80 seeds

## **Snow Peas** **Blizzard**

Concentrated, high yields of slender, neon-green, 3" pods on 3 1/2' vines. Sweet, crisp and easy to pick. Blizzard is great in salads, stir-fries or eaten fresh off the vine. 61 Days 80 seeds

## **Summer Savory**

Summer Savory is a fragrant, hardy, bushy annual herb that goes well with a variety of foods. It's taste is peppery and minty, somewhat similar to thyme. The leaves are delicious fresh or dried. It is often grown as a companion plant with beans, since it helps keep away bean beetles. It does well in a container. 60 Days 70 seeds

## **Heirloom Zucchini** **Genovese**

This early, productive, heirloom zucchini produces tender, light green, smooth skinned fruit on open plants that are easy to harvest. Delicious!

55-60 Days 25 seeds

## **Heirloom Tomato** **Ruth's Perfect**

Tall, strong, vigorous plants produce beautifully spherical, deep-red, 1/2 pound salad tomatoes with a delicious, fruity flavor. Keeps well after picking. Indeterminate 78 Days 25 seeds

## **Heirloom Tomato** **Woodle**

Productive plant produces beautiful, medium to large, almost perfectly round, orange tomatoes with sweet, rich flavor. Great for eating fresh and slicing for salads and sandwiches.

Indeterminate 76 days 25 seeds

## **Heritage Tomato** **Pink Berkeley Tie Dye**

Tall, strong, vigorous plants produce beautiful deep-red and green, 1/2 pound, beefsteak tomatoes with a delicious, fruity flavor. Keeps well after picking.

Indeterminate 78 Days 25 seeds

## **Heirloom Tomato** **Sungella**

2-3" wide orange globes with deliciously sweet flesh. Very productive and cold tolerant. Bigger and more crack resistant than Sun-Gold, which it was bred from.

Indeterminate 70 Days 25 seeds

## **Heirloom Paste Tomato** **10 Fingers of Naples**

Disease resistant plants produce long trusses (often numbering ten) of meaty fruits with rich flavor and few seeds. Great for sauce or salsa. Some Late Blight resistance.

Indeterminate 75 Days 25 seeds

## **Heritage Tomato** **Lucid Gem**

These tomatoes are purple on top with red and orange bottoms. The insides of these lusciously flavored tomatoes are almost tie-dyed, with few seeds. A heavy producer, holding well on the vine and keeping well after harvest. Indeterminate 80 days 25 seeds

## **Cardinal Climber Vine**

*Ipomea sloteri*. A beautiful, annual, twining vine in the morning glory family, with vivid-crimson, trumpet-shaped flowers, that hummingbirds love. Attractive, emerald green foliage is shaped like palm leaves. Great for decks, arbors, posts, and trellises. Climbs to 10-15 ft. tall. Long bloom season. 30 seeds

## **White Lace Flower** **Orlaya grandiflora**

2½- 3½" flowers with a lacy pattern. Well-branched plants with strong, upright stems are easy to grow and great for cutting. Clusters of green, star-shaped seed pods are nice in bouquets, too.

Reseeding Annual 24-30" ~30 seeds

## **Heirloom Columbine** **Ruby Port**

*Aquilegia vulgaris* Dark ruby, double, nodding flowers bloom at the height of spring. Flowers are held well above the foliage, on strong stems. Grows in sun or part shade. Sow outdoors in early spring or sow in flats and refrigerate for 3 weeks.

Perennial, Zones 3-8 30" ~80 seeds

## **Purple Millet** **Pennisetum glaucum**

3-5' plants have beautiful, deep purple, corn-like foliage and purple-black seed spikes, which can be a foot tall and an inch around. Use fresh or dried. Can grow in pots or in the ground. 95 Days ~60 seeds

## **Heirloom Winter Squash** **Delicata**

1-1½ lb. Ivory colored fruit, with dark green stripes, have unsurpassed sweetness. Many years of selection at Frosty Morning Farm have perfected this delicious squash. Stores well.

95 Days 25 seeds

## **Heirloom Winter Squash** **Tuffy Acorn**

2 lb. Deep green colored fruit, with thick, rich, sweet, orange flesh. This variety is known for its superb sweetness and smooth texture. Many years of selection at our farm. 90 Days 25 seeds

## **Heirloom Winter Squash** **Blue Ballet**

A smaller version of Blue Hubbard, this squash has blue-gray skin and sweet, smooth, orange flesh, averaging 4-6 lbs. It yields and stores well.

100 Days 15 seeds

## **Heirloom Mini Pumpkin** **Jack Be Little**

These miniature, heirloom, bright orange pumpkins are 3-4" across by 2" high. They're prolific, decorative, long lasting and delicious!

95 days 25 seeds

## **Heirloom Pumpkin** **Lady Godiva**

These pumpkins are known for their plentiful, large pepitas, without the tough seed coat. They produce vigorous vines, with 6-10, beautiful, green and orange striped, 5-8 lb. fruits. They can be used decoratively. After the seeds are cleaned and dried, they are eaten fresh or roasted. 100 days. 25 seeds
